Trailing 30 Days

Inventory Type

New

Used

Combined

Make

Centurion

Used inventory median is \$89k — down 4.1% Month over month. Older model-years (2018–2019) are sitting 42+ days with accelerating price reductions.

2021 models are the used sweet spot: priced right for demand, moving in sub-20 days. 2018 and older units face mounting discount pressure.
